A C-FREE® Product

We start by reducing the product's impact by switching to at least 50% preferred materials. We then measure and reduce the total carbon footprint of each product in the C-FREE program—from cradle-to-grave—through the ClimeCo Certified Product™ Program. This certification purchases third-party, verified carbon offsets through ClimeCo. Please note: This product is transitioning from a 60/40 organic cotton/recycled polyester blend to a 65/35 organic cotton/recycled polyester blend with a 100% cotton face.
