Bionic

N3397

The Bionic Tee is no average Joe. Featuring ActiveDry technology and a dual-poly/spandex blend, the Bionic performs feats that ordinary t-shirts only dream of; like keeping users dry by integrating next generation hydrophilic and hydrophobic fibers, or stretching for mobility, then recovering its form. Featuring:

- 4.6oz Proprietary dual-poly/spandex blend
- ActiveDry technology stays dry inside by actively moving moisture outside
- Texturized thread for a softer, more comfortable feel
- Double needle cover-stitch neck, sleeves and hem for durability
- True raglan sleeves for added mobility
- Tag free neck
